7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

'Sasthrayaan-2018', an educational exhibition intend to benefit the society by making the public aware of various research developments happening on the higher educational institutions, is organized by Thunchan Memorial Govt. College on 9th and 10th March 2018 in collaboration with the State Government and Rashtriya Uchchatar Shiksha Abhiyaan(RUSA) project of Central Government. The program was conducted in the form of an open house for the general public and students featuring various activities and achievements of the institution, facilities, inventions of various departments and their future plans, limitations and the scope of development of the institution. The two day program consisted of exhibitions, art performances, sports performances, documentary screening, martial arts show, creative drama demonstration, sky-watch camp etc. Besides there were stalls of various departments facilitating health services, banking services, career counseling services etc. Apart from the primary aim of imparting knowledge, Thunchan Memorial Govt. College has been visualized to play a more significant role, namely the improvement of the otherwise educationally backward Malappuram district and the coastal belt of Tirur taluk in particular. Sasthrayaan-2018 provides an opportunity for the local people to visit the college and thereby to utilize the facilities of the college according to their need in future. For the successful execution of the project and to ensure the participation of local people, we constituted an organizing committee with officials of local government bodies and representatives of local people as members. Together with the organizing committee, Parents-Teachers Association(PTA) of the college and alumni association played a vital role for making the program a grand success.
