

Report of the Activities under "Ecosystem of Innovations and Initiatives for Creation and Transfer of Knowledge"-2021-2022.

The college envisions that the primary requirement of an educational institution for result-oriented, effective, and successful implementation of its programs is to create a suitable ecosystem. Our richest resource is enthusiastic and dedicated students from the rural population with their inestimable work potential. The First Half of this academic year was in online mode and second half was offline. To hold the students in mainstream, our college practiced a hybrid ecosystem . The following are important among activities and initiatives to create and transfer knowledge:

PG Department of Arabic

- Conducted study tour, coaching sessions for PSC and NET examinations.
- Organized 3 day international seminar, 1 day workshop on calligraphy and an introduction session on N-LIST .

- Released Arabic wall magazine and hand written magazine in connection with Ruby jubilee celebrations.

PG Department of Commerce

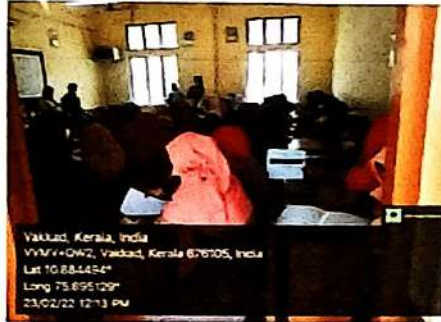

- Conducted add-on courses , bridge course, NET coaching, food fest.

- Organized a workshop under the MoU signed with Innoque Business School.

- Initiated a tax e-filing assistance venture.
- Under the leadership of E D CLUB, conducted workshops for students and Kudumbasree members and National consumer day survey.
