Annual Plan - 2018-19

Introductory Note

The Internal Quality Assurance Cell of the college is striving to harness resources from all the sectors for the overall development of the academic and administrative excellence of the institution in this academic year.

Academic Development

- To upgrade the UG Departments to PG Departments. (Physics Department)
- To upgrade the PG Departments (Malayalam and Mathematics) to Research Centres under the University of Calicut.
- To apply for programmes in humanities and science with focus on new generation disciplines. (B Sc Geology, B Sc Geography, BA Economics, BA History)
- To continue the internal and external academic audits.
- To introduce remedial coaching for the low achievers in academic performance.
- To strengthen the tutorial sessions for undergraduate students.
- To conduct Induction Programme for newly admitted students at the undergraduate level.
- To conduct value-added courses in all major departments.
- To promote the certificate courses in relevant areas of study.
- To encourage the faculty members for research and publication activities.
- To initiate invited talks and faculty exchange programmes with other colleges.

Extracurricular Development

- To promote community outreach programmes focusing on the entrepreneurial development of students and the local population.

Infrastructure Augmentation

- To prepare a Detailed Project Report for filing to RUSA-SPD Kerala for getting RUSA Fund.

- To prepare detailed project reports and estimates for getting funds for the construction and maintenance of academic blocks and to submit the same to the government.
- To renovate the functional laboratory of the Department of Physics
- To install the CCTV cameras in more places and maintain them well.
- To construct a Telescope Room for the setting up of a Sky Watching Centre on the second floor of the Amenity Centre
- To construct a Ramp/Lift on the main building of the college to make the building more friendly to disabled people.
