Annual Plan - 2020-21

Introductory Note:

As the COVID-19 pandemic situation has necessitated shifts from the normal routines of the college, the IQAC takes steps to introduce effective alternatives for the academic and administrative functions of the college. The IQAC urges the college community to tap the scope of distance and online teaching, learning and evaluation technologies to the maximum. The continued effort is to be taken towards the formulation of new practices, resource mobilisation, and infrastructural development with an optimistic outlook that a new normal will become possible in the post-pandemic period.

Academic Development:

- To apply for the new-gen programmes in the campus
- To purchase English and Malayalam syllabus related books to the library

Online Teaching:

- To set up a Learning Management System to ensure more effective teaching, learning and evaluation.
- To introduce alternatives for the regular academic functions of the college; timetable, attendance, evaluation and monitoring.
- To use the infrastructural facilities in the college to create an e-material repository; EDUSAT-ORICE, Computer Labs will be used for it.

Extracurricular Development:

- To strengthen activities of the Clubs and Forums.
- To seek registration for Nature Club from the government agencies.
- To purchase more accessories for sports and games.

Infrastructure Augmentation:

- To purchase class room furniture

- To ensure the proper sanitisation of college premises

- To construct new toilet block for boys and girls

- To transfer the college premises more barrier free by installing sign boards

- To set up Smart Classrooms

Community Outreach Programmes

- To promote safety habits among the college community and the public to strictly adhere to COVID-19 safety protocols and guidelines.

- To extend all the possible assistance to the government mechanisms to contain the pandemic.

IQAC Quality Initiatives

- To use the maximum resources to maintain the academic excellence of the college.

- To prepare a strategic plan for online teaching, content delivery and evaluation.

- To conduct training programmes on effective use of ICT tools for online education.

- To make arrangements for getting an educational institution account in Google Workspace / G Suite.

- To conduct Academic and Administrative Audit.

- To register in NIRF Portal and to participate in NIRF ranking process from this year and onwards.

- To prepare AQAR for the year 2019-20 and submit it within the stipulated time.
