ACTION TAKEN REPORT OF THE MEETING HELD ON 04-10-2018

1. A Session on Research funding and publication was conducted under the IQAC
2. In the Said Session the faculty members are informed about the scope and need of invited talks to be conducted and delivered.
3. The various clubs and forums have agreed to conduct community outreach programmes at their capacity.

DISCUSSIONS And DECISIONS .

1. The meeting made a deliberation on the infrastructural facilities on the campus and observed that the college is in need of new infrastructural facilities.

The following items were identified to be included in the detailed proposal, that is being prepared by the IQAC.

- (a) Renovation of Laboratories of the functional Laboratory of the department of Physics. The Laboratory Shall be equipped instruments for with more experiments and the old ones are to be replaced.
- (b) Installation of more CCTV Cameras - In order to ensure the safety of the campus more CCTV cameras are to be installed.
- (c) Telescope Room for the setting up of a Sky watching Centre - as the Geographical Locality is suitable for the night sky watching. The college Shall promote ~~an~~ astronomy-based centre under the department of Physics. For such a facility a Telescope Room Shall be constructed on the Second floor of the Amenity centre.
- (d) Ramp / Lift on the main building.

Inorder to make the campus disable friendly such measures like construction of ramps and installation of lift, Installation of sign boards is to be considered.

The meeting decided to include all these infrastructural developments in a detailed project report for filing to RUSA-SPD Kerala for getting RUSA fund.

A discussion and suggestion seeking session of the Staff will be convened by the IQAC to develop the master plan for the infrastructural development of the campus.

The meeting ended at 4.45 pm.
